#### **Shoes**

*Shoes:* ALL actors need to supply their own dance sneakers for each rehearsal and performance. Sneakers should be black (some white markings/stripes/etc. are fine). No solid white, other colors, sequins or shiny material please! (Please note: regular sneakers will not allow you to do the turns and slides the show requires.)

**Makeup Kits**

Roustabout will provide hairspray, gel, a curling iron, bobby pins, wigs and wig caps. Professional hair/makeup stylists will be provided for each show.

In order to eliminate sharing of makeup around the eyes and mouth, all actors will need to supply their own "Personal Makeup Kit" (plastic baggie will do) with the following items by June 30th: lipstick, eyeliner and eye shadow (we will let you know what colors you will need); blush; and make-up remover wipes. If you have your own hair brush or comb and curling iron, please bring it.

**Actor Attitude/Work ethic**

Actors agree to be attentive and helpful during all rehearsals and dedicated to making "13" the best show possible. Roustabout's staff will work to make the process fulfilling and the goals meaningful and fun. Actors in turn agree to achieve the goals outlined by staff for music and script memorization, proficiency in dance work, blocking memorization, etc. by the dates set. We want everyone to love this experience and we anticipate that all actors will arrive on time and be prepared for rehearsal. Roustabout reserves the right to dismiss any student who consistently arrives late, is consistently unprepared or intentionally disrupts rehearsal. *No refund is given if the actor is dismissed from the cast for these reasons.*

**Cleanup and Set Breakdown**

At the end of each rehearsal, all actors will be given time to help return the room to its original condition. In addition, after the last show, all cast members are required to clean their own dressing room table and will be assigned specific tasks to help with set breakdown. After the last show, all actors will be dismissed once the entire breakdown is complete: usually about 2 ½ hours after curtain drops.

**We're looking forward to working with you this summer!**
